Good morning, Jill,

I received your letter late yesterday relating to the itemization of expenses for the Mateo San Agustin Alvarado deposition. I will not be able to respond this week because of other deadlines, but I wanted to provide you with a copy of the correspondence I received from the interpreter, who indeed charged a full day for her services. Please let me know that you've received this information.

I hope to respond to your letter more fully next week.

Sincerely,

Denise

Dear Ms. Smith Cline:

Please find enclosed a bill (which indicates full payment) for my interpretation of the deposition of Miriam Martinez Solais in Raleigh on Wednesday, August 12, 2015.

This bill reflects a full day of work. I left Winston-Salem at 11:00 am and returned at 7:15 pm. As I had discussed with your assistant, I had blocked out a full day of work in Raleigh for two depositions you had scheduled for that day. When the first deposition was canceled, I could not (and did not) schedule other appointments for that day.

Thank you for your business.

Sincerely,

Fabiola M. Bojanini
